

THOROUGHBRED RACING SA LIMITED
ADDITIONAL STEWARDS' REPORT - J FREW

TRSA OFFICES - Tuesday, 28 May 2019

Stewards today concluded an inquiry into the breath analyser test result from a sample provided by Trainer Jordan Frew at the Strathalbyn race meeting conducted on 19 May 2019. Mr Frew had been directed to provide a sample by the Stewards and the test was conducted to detect any presence of alcohol. After recording the detected level the matter was adjourned.

After hearing further evidence today, Mr Frew was found guilty of a breach of AR140(1)(a) the specifics of the charge being that at the Strathalbyn race meeting conducted on 19 May 2019 at 5.00pm following the running of race 8 after handling the racehorse HOFFS OFF, he did provide a breath sample at the direction of the Stewards which detected a banned substance, namely alcohol at a concentration in excess of 0.05%.

Jordan Frew was suspended for a period of 2 months to commence at midnight Monday, 3 June 2019, until midnight, 3 August 2019. Acting Under AR267 stewards advised Mr Frew that he would be able to continue to ride track work on horses not currently on his stable return during the period of his suspension. Mr Frew was also advised that if he were able to successfully complete drug and alcohol awareness program, the final month of his suspension would be reduced and his suspension would conclude on midnight 3 July 2019.
