Rider explained that at the entrance to the straight she had positioned herself behind HAURAKI GULF to give her an option to improve to either its inside or outside. She added as she had commenced to improve to the outside of that colt, KNIGHTSTOWN had taken up that position and she was unable to obtain clear ground for a number of strides. She advised that the gelding had taken up a comfortable lead of its own accord; however, she had attempted to restrain as she felt she had increased her lead on the field by a touch too far. She added that after attempting to restrain **THE RED SEA** commenced to fight her and for this reason she had instead allowed it to stride at its own pace which resulted in it extending its lead on the field by further. Trainer, Mr G. Young, confirmed the instructions provided to S. So; however, he added that he was surprised by how far the gelding had led the field. Rider pleaded guilty to a charge under AR132(7)(a)(ii) in that she used her whip on more than five occasions prior to the 100 metres and was reprimanded.
