RACE 1: ARAMIS HANDICAP - 1000 Metres

QEYAADY (J. Opperman) - rider explained the colt travelled well in the lead until in the home turn, where he commenced to place him under pressure. He added that whilst the colt responded well in the early part of the straight, his mount commenced to weaken from the 200 metres and was disappointing in its failure to finish the race off. A post-race veterinary examination revealed a poor post-race recovery.

KARACASU (J. Toeroek) - a late scratching by order of the Stewards at 12.02pm on veterinary advice as the gelding had got its near hind leg up on the barrier partition for a short time. Co-Trainer Mr J. Jolly was advised a warning had been placed on the gelding in relations to its barrier manners.

KNIGHTSTOWN (R. Hurdle) - made contact with the outside running rail en route to the barriers. Underwent a pre-race veterinary examination behind the barriers and passed fit to race. Shifted in under pressure near the 150 metres when insufficiently clear of MADAM FURPHY. Rider was reprimanded under AR131(a) for careless riding.

MADAM FURPHY (T. Voorham) - jumped away awkwardly. Near the 50 metres was steadied to avoid the heels of KNIGHTSTOWN, which shifted in under pressure when insufficiently clear.

MISS DANIEL (C. Murray) - rider was questioned regarding the tactics adopted in the straight and in particular why he did not explore the opportunity to improve to the inside of QEYAADY when a run presented shortly after straightening. C. Murray stated that he was of the belief that QEYAADY would maintain its line close to the rail and therefore he elected to come to the outside of runners and was obliged to wait to improve around the eventual winner KNIGHTSTOWN, approaching the 100 metres. C. Murray agreed with the Stewards that he had erred in not shifting back to the inside of QEYAADY to continue into that run from the 300 metres, which would have given MISS DANIEL clear running.

In not proceeding with a charge for failing to give his mount full opportunity to win, the Stewards had regard that this was C. Murray's first ride on the Morphetville Park track and that he was resuming to race riding from an extended absence overseas.

RACE2: G.H MUMM HANDICAP - 1400 Metres

GIVE ME TEN (NZ) (K. Crowther) - kicked out in the barriers after being loaded. A pre-race veterinary examination revealed the mare was unfit to race. Acting on this advice Stewards withdrew GIVE ME TEN (NZ) at 12.37 pm. Trainer representative, Mr T. Stokes was advised a warning had been placed on the mare in relation to its barrier manners.

DISTURBING (T. Pannell) - kicked by another runner behind the barriers. Underwent a pre-race veterinary examination and passed fit to race.

RACE 3: EMR MARBLE & GRANITE HANDICAP - 2250 Metres

EXALTED FIRE (C. Murray) - rider pleaded guilty to a charge under AR132(7)(a)(ii) for using his whip on more than five occasions prior to the 100 metres and was reprimanded. In determining penalty Stewards had regard for the totality of the use of the whip by C. Murray and noted that he used it on four occasions over the concluding 100 metres of the event. A post-race veterinary examination revealed no visible abnormalities.

BEAR ARMS (E. Boyd) - over-raced for some distance in the early stages of the event. Rider reported in her opinion, her mount did not handle the firmer track conditions in today's event and felt it was best suited to rain affected going in the heavy range.

FLOW METER (S. Metcalfe) - underwent a pre-race veterinary examination and passed fit to race.

RACE 4: FRESH KITCHENS HANDICAP - 1400 Metres

ANGASTON (G. Lo) - a post-race veterinary examination revealed swelling of the right side of the tongue. First aid administered.

CLAP (J. Toeroek) - jumped away awkwardly. Raced keenly in the early and middle stages of the event and passing the 1000 metre had to be steadied off the heels of DOMINATION. Rider reported that CLAP did not finish the race off as expected. Weakened and laid in under pressure in the straight. A post-race veterinary examination revealed no visible abnormalities.

DOMINATION (J. Holder) - when asked about the disappointing performance of the gelding, rider stated in his opinion, that it did not run out a strong 1400 metres and is best suited over shorter journeys. A post-race veterinary examination revealed no visible abnormalities.

OAMARU OWL (J. Potter) – jumped away awkwardly and was crowded shortly after the start between MISS JANE and VONGOLE, which shifted in. Rider stated his intention was to be on pace and after receiving early interference, he allowed his mount to stride forward rather than be trapped wide. A post-race veterinary examination revealed no visible abnormalities.

RACE 7: LEON MACDONALD STAKES - 1400 Metres

IRONCLAD (GB) (C. Murray) – permission was granted for Trainer, Mr W. Clarcken to add hoof pads the previous evening to the gear of the gelding, due to a foot abscess that was reported earlier in the month. Underwent a pre-race veterinary examination and passed fit to race. Rider stated that, although trapped wide in the middle stages his mount travelled well, however laid out rounding the home turn and weakened in the straight. A post-race veterinary examination revealed the gelding to be lame in the near foreleg. Trainer, Mr W. Clarcken, was advised that a Veterinary Certificate of Fitness was required prior to a future trial or race start. Trainer, Mr W. Clarcken was asked to report back to the Stewards on the progress of the gelding in the days subsequent to the race.
