GETONIT (L. Halliday) - Stewards questioned rider on the gelding's performance from the 400 metres, rider explained that approaching the 400 metres a run appeared between REAL VALENTIA and EQUICHUNK however, the gelding was unable to sprint with the field. She added that near the 200 metres the run commenced to close and at that stage GETONIT was commencing to lay in behind REAL VALENTIA. She further added that the gelding was held up from the 150 metres behind both horses, which were weakening. Co-Trainer Mr K. Post explained he was disappointed in the ride and believes the rider should have used more vigour. He added the gelding performs best under hard riding and intends to use a stronger rider in future. Rider was advised by Stewards that she should have used more vigour from the 400 metres until near the 200 metres as in their opinion, a run was available for her to improve into. Although consideration was given to issue a charge under AR129(2) for failing to take "reasonable and permissible measures", Stewards were mindful of Ms Halliday's lack of experience and skill level and therefore referred Ms Halliday to the Riding Skills Panel under LR38.4.1.

FERGIE (E. Finnegan) - raced wide without cover throughout the event.

EQUICHUNK (E. Boyd) - a post-race veterinary examination revealed no visible abnormalities.

STREUSEL (NZ) (L. Halliday) - underwent a pre-race veterinary examination on arrival on course as it had not raced for some time and was passed fit to race. Slow to begin. Tailed the field by a considerable distance for majority of the race. A post-race veterinary examination revealed the gelding suffered atrial fibrillation. Co-Trainer Mr K. Post was advised the results of an ECG are to be forwarded to the TRSA Veterinary Surgeon and a Veterinary Certificate of Fitness would be required prior to performing satisfactorily in an Official Barrier Trial.

THIRTY TWO GUNS (A. Jordsjo) - slow to begin.

IT'S ALL GOSSIP (C. Lions) - raced wide without cover throughout the event.

JELLY BEAN CLUB (G. Lo) - raced wide without cover throughout the event. Raced greenly approaching the 400 metres and lost ground when racing between NANCY MAY and ROLL ME AWAY.

HARBOURING (D. Tourneur) - raced keenly in the early and middle stages of the event. Shifted in near the 200 metres and bumped EUROGEM.

PAINT THIS CITY (B. Price) - rider reported the gelding failed to travel throughout, which was unusual and failed to respond to his riding. EUROGEM (K. Zechner) - shifted out near the 200 metres and bumped HARBOURING.

Rider explained she felt she was travelling well enough to ease AMUSING MAGNUS wider however, after committing to and failing to secure that run she became aware of a run to her inside and shifted in across the heels of FENCELINE and YOU ES MARSHAL. Rider conceded in hindsight, her best option would have been to take the inside run earlier. Stewards agreed with Ms Jordsjo's comments, however were of the opinion that given the circumstances it was reasonable for Ms Jordsjo to test the run to her outside and therefore no further action was taken.

RACE 8: MED ELECTRICAL BENCHMARK 58 HANDICAP - 1400 Metres

RACE 8: MED ELECTRICAL BENCHMARK 58 HANDICAP - 1400 Metres (Cont'd)

SADUKA (K. Crowther) - slow to begin.

O'MIZZNA (E. Finnegan) - underwent a pre-race veterinary examination on arrival on course at the request of Trainer Ms S. Murphy and was found to have lacerations to its off side hip due to being fractious in the float. Stewards declared O'MIZZNA a late scratching at 3.05 pm on veterinary advice.

TOUGH LASSIE (S. Logan) - near the 1100 metres shifted in when insufficiently clear of MOSCOW MULE, crowding that horse in onto BRONSKI resulting in BRONSKI being crowded for room and having to be checked. Rider pleaded guilty to a charge of careless riding under AR131(a) in that she shifted ground when insufficiently clear and was suspended from riding in races for a period to commence at midnight on Saturday, 16 October and to conclude at midnight on Sunday, 24 October 2021: a period of four meetings.
