GENERAL

Prior to the running of Race 2, the track was examined near the 300 metres by the Stewards and delegates representing the jockeys riding at the meeting and was deemed to be satisfactory to race on; however, it would be monitored for the remainder of the meeting.

The race times for the remainder of the meeting were amended as follows:

Race 2: 2:40 pm,
Race 3: 3:15 pm,
Race 4: 3:50 pm,
Race 5: 4:25 pm,
Race 6: 5:00 pm,
Race 7: 5:20 pm.

After the running of Race 2 delegates representing the jockeys riding at the meeting expressed further concerns with the track, in particular shortly after passing the 800 metres.

Stewards, along with the delegates representing the jockeys, had a further more detailed examination of the area of concern.

Stewards and the delegates representing the jockeys were not satisfied with the condition of the track near the 750 metres.

After exhausting options to rectify or by-pass the section of concern Stewards postponed the remainder of the meeting (Races 3 to 7) at 3:10 pm.
