Byrnes, was advised that a warning had been placed on the mare's barrier manners. Laid out under pressure in the straight. L. Neindorf added that after beginning well he attempted to find the lead; however, it became apparent that EAGLES FOREVER on his inside also wanted to lead. He said that he attempted on a couple of occasions to move forward ahead of EAGLES FOREVER, however, on every occasion EAGLES FOREVER kicked to maintain the lead, therefore he felt it was in the best interest of I'M KENNY to take a position to the outside of EAGLES FOREVER rather than continue to push forward and do too much work to gain the lead.
