GENERAL

MURRAY BRIDGE – WEDNESDAY, 25 NOVEMBER 2015

Stewards conducted an inspection of the course prior to the running of Race 1 (one) after strong winds blew down large portions of the inside running rail from the 1600 metres to the 1200 metres. A further inspection found damage to the supports holding the running rail in the vicinity of the 1000 metres. Bearing in mind the damage and the fact the course was forecast to receive further strong winds throughout the day, Stewards and the Murray Bridge Racing Club Officials elected to postpone the meeting to Thursday, 27 November 2015.
