**TARQUIN** (C. Williams) – Stewards questioned C. Williams in relation to his ride on this gelding with particular reference to the straight. C. Williams explained he had been instructed to be positive in the early stages and to take up a forward position. He explained that after being positive he found himself in front and was comfortable with how the gelding had travelled in the early and middle stages. He added in his opinion he had placed the gelding under pressure from the vicinity of the 500 metres, however, at the entrance to the straight had formed the opinion that TARQUIN was a beaten horse and was not comfortable in the shifty ground and for this reason he had elected to allow his mount to go to the line on its own steam. Mr D. Charles, representing Trainer Mr J. O'Shea confirmed the instructions provided to C. Williams and reported the stable was satisfied with the ride of C. Williams. After considering his explanation Stewards advised C. Williams that in their opinion he had placed the gelding under pressure from the vicinity of the 500 metres until near the 200 metres, but it was only of moderate vigour and that he had not placed TARQUIN under full pressure at any stage during the event, however, Stewards could not be fully satisfied that the rider had breached AR135(b) in relation to taking all reasonable and permissible measures throughout a race to ensure that his horse has been given full opportunity. C. Williams was advised in future to ride in a manner that did not invite question. A post-race veterinary examination revealed an elevated heart rate.

**LAST DAY (NZ)** (C. Jones) – C. Jones was unable to claim down to her minimum riding weight in this event. Trainer, Mr D. Jolly put a submission to Stewards that C. Jones retains the ride due to the fact that the gelding is better performed with a left-handed whip rider and that C. Jones had ridden LAST DAY (NZ) previously as the gelding can be difficult to ride. After considering his submission C. Jones was permitted to ride LAST DAY (NZ), however, was fined \$500 under AR120(b). In addition Stewards advised C. Jones that they were altering her minimum riding weight to 56kg effective immediately due to a number of recent overweight offences.
