RACE 1: C A HAIGH MEMORIAL HANDICAP - 1000 metres

TOORAK SMOCK (T. Hope) - shifted out and away from SYMPHONETTE on jumping away onto CITY BEATS. Thereafter rolled in, in the vicinity of the 700 metres, became awkwardly placed on the heels of BLACK CHAMPAGNE and was obliged to shift out abruptly to avoid that horses heels.

SYMPHONETTE (D. Caboche) - taken out on jumping away by BLACK CHAMPAGNE and was tightened onto TOORAK SMOCK. Approaching the 700 metres laid in and shifted in onto CITY BEATS tightening that horse. A post-race veterinary examination revealed no visible abnormalities.

BLACK CHAMPAGNE (A. Mallyon) - shifted out onto SYMPHONETTE on jumping away. Rider reported the filly felt flat in the run, failed to respond to his riding in the straight and was disappointing. A post-race veterinary examination revealed no visible abnormalities.

CHEZBLACK (D. Tourneur) - Stewards questioned the rider in relation to his instructions. Rider advised he was instructed to ride the filly quiet in the early stages to enable the horse to finish the race off. Trainer Mr L. Kennewell confirmed the instructions were to ride the horse in a more quiet fashion compared to its previous starts as he took the view that there was substantial pace in the event and having regard for his wide barrier, he was reluctant for his horse to be trapped wide without cover in a forward position. He also added he considered that it was early in the horses' racing career and allowing it to settle back to see if it could finish off the race would be beneficial. Mr Kennewell was reprimanded under AR135A for changing the tactics in relation to this filly without advising the Steward prior to the event.

CITY BEATS (A. Jordsjo) - lost its position on jumping away when tightened onto TENDERLY by TOORAK SMOCK. Approaching the 700 metres was tightened by SYMPHONETTE, which laid in and shifted in, and became very awkward for a number of strides and lost its position. Correct weight was delayed to allow J. Holder (STAR STATUS) and Co-Trainer Mr A Gluyas to view the vision of the start. Stewards questioned the starter Mr S. Pearson and the Barrier Attendant on duty tasked with accompanying STAR STATUS in its barrier stall. After considering the evidence, acting on their own observations and having regard for the provisions of AR134A, Stewards declared STAR STATUS to be a runner as they considered that STAR STATUS'S own manners in being fractious and rearing moments before the gates were released, contributed to its predicament.
